In the morning session, learn the Roger Federer like volley game, and you too, can dominate the net just like the 20 grand slam title champion! Attack, approach, scissor kick and dive like Fed Dog at the end of the day. Warning: this day may include blood, sweat and tears! In the afternoon there will be a round robin event for all participants with snacks and drinks.

Even though the Bryan Brothers teamed up to win 16 Grand Slam Titles, they will have nothing on you once you complete the doubles day one of the best clinics of the camp. Move, shift, poach, react, return serve and so much more to look forward to in this very rock-solid session.
